

Linda Upmeyer

Linda Upmeyer is a consultant for CyncHealth. In her role, she serves as an educator on the benefits of HIEs and as a point of contact for healthcare facilities in the state of Iowa.

Prior to joining CyncHealth, Linda Upmeyer was the first female Speaker of the House in the Iowa House of Representatives from 2016 to 2020. She also served as a Representative from 2003 to 2021. She has a background as a cardiology nurse practitioner.

Linda Upmeyer received her BSN from the University of Iowa and her MSN from Drake University.

About CyncHealth

CyncHealth, Inc. is a 501(c)(3) non-profit organization with a public/private governance model that includes health care providers, payers, and the State of Nebraska. CyncHealth is the designated statewide Health Information Exchange designed to share clinical and administrative data among providers in Nebraska and neighboring states. CyncHealth's purpose is to achieve health care transformation through community betterment collaboration while protecting the security and privacy of medical information. Other entities under the CyncHealth umbrella include Nebraska Health Information Initiative (NEHII) Foundation, NEHII Shared Services, Nebraska Healthcare Collaborative, and the Iowa Health Information Network (IHIN).
